

the INDEX TESTIMONIALS

Having used both the Kent and Canterbury Index magazines over the past year or so, I have to say I am very pleased at the responses I am getting from them. I have been running the similar copy in other Kent glossies, but up to now the Index responses are out-stripping the other publications. Which means I am getting good value for my advertising spend.

When we launched www.sixfordinner.com, an introduction service for bringing busy people together in Kent and London, we took out advertising in The Index. We had great results, the team were a pleasure to work with and our business is off to a flying start. We would recommend The Index to anyone looking to boost their brand and business.

DIRECTOR, SIX FOR DINNER

We had a phenomenal response to the advertising and editorial for our Mumpreneurs seminar – so much so that we are now planning a regular breakfast meeting to accommodate the demand generated by Index! Thank you to the team at Index for all their hard work – we really work well together and it's a great magazine.

We started advertising in Index Magazine at the end of 2012 and have already picked up some great clients via this. The publication is of great quality and the targeted distribution ensures that you are raising your profile with the type of clients you want to attract. I would highly recommend using the Index as part of your marketing strategy

SONIA KESBY, PARTNER AT WELLS ASSOCIATES

My name is Lucy and I am the owner of the Kip McGrath Education Centre in Tunbridge Wells. I have been running an advertising campaign with the Index Magazine since opening the centre in January 2011. I have been so pleased with the results the magazine has achieved for me that I now use it as my only advertising source.

LUCY, KIP MCGRATH EDUCATION CENTRE

Just to let you know that we have now picked up 2 recent landlord instructions from the adverts we have placed in The Index Magazine. We feel your letting feature has been very successful for us so far.

DAVID ROGERS, MARTIN AND CO

Just wanted to say thank you very much for being able to publish the Castle Ride/Phil Spencer story. As a result of this we have seen a recent increase in people signing up for the ride. Thank you again for your support

TINA MIDDLETON

I was really pleased with the response I got from placing my Riverford leaflet in the Canterbury Index Magazine. The number of new customers I got made it a cost-effective marketing tool and I'll be using the Canterbury Index again.

LIZ ASTERAKI, RIVERFORD

This is to say thank you, to the team at Index, 2012 saw a full program of advertising with you, which I feel the Royal wells & Beau Nash have benefited enormously, from the exposure.. The Chalybeate restaurant has certainly taken off, with our program of special deals. The royal wells has defiantly lifted its profile and created new business, through the advertising in the Index. Thank you again
